Chairs

As part of the refurbishment of Holy Trinity Church an all **wood oak chair** was selected as the preferred method of seating. An award winning design the 2015 Theo chair is increasingly being used in churches and cathedrals across the UK. This chair is light and strong and can be stacked up to 30 high on custom made trolleys. The chair costs £200 including VAT, (the church is unable to reclaim VAT on any movable items).

An optional brass effect plaque, measuring 80 x 40 mms, can be added subject to the approval of the Parochial Church Council, at an additional cost of £10. The recommended font is Times New Roman 14pt.
